Description

Plastic sump pump developed for pumping clean pond water.

The pump is characterized by the very low power consumption. For cleaning and disassembly of the pump are no tools required.

Technical description

Brand: KIN PUMPS
Product line: EXCELLENT
Type: POND 28
Max. head: 1.5 m.
Max. capacity: 2800 l/h
Power: 80 Watt
Max. temperature: 35°C
Cable length: 3 m.
Article number: EXC1010M/A
EAN code: 8719033641341
Certifications: CE, GS, EMC, ROHS

Designed and developed in the EU, made in China.
